PS 9 - The Sarah Anderson School
100 West 84th Street
New York, NY 10024

Dear Friends:

I write to wish you the greatest success on tonight's Island Night at 9, Live & Silent Auction, and send my warmest regards to the parents, teachers, administrators, and students of Public School 9. You're dedicated and dynamic involvement is part of what makes PS 9 the high-caliber, diverse, and energetic institution that it is today.

Public School 9 is distinct for its committed and resourceful Parent Association, which is instrumental in planning, organizing, and executing events like tonight's auction. Through the efforts of the Parent Association and its network of dedicated volunteers, PS 9 has been able to supply enrichment initiatives in subjects like reading, language, and a librarian. In addition, the Parents Association is able to facilitate countless other projects, from full day assistant teachers, to chess and art, which contribute to PS 9's well-rounded educational environment. Events like tonight's auction are integral to sustaining staff development, providing substitute teachers, and encouraging relations between the school and the greater community.

Educating and nurturing children is important to the success and well-being of any stable community. On behalf of my constituents, I thank Public School 9 and the Parent Association for their continued efforts to better the environments of their students, teachers, and neighborhood, and I wish you another successful auction.

Sincerely,

A handwritten signature in black ink that reads "Jerrold Nadler".
